

Dear Families,

Firstly, welcome all our new families to the Nursery.

Everyone at Yellow Dot Fair Oak hopes you had a wonderful Christmas break and are looking forward to what the new year will bring. Some of our Babies have moved down to Toddlers so we welcome new faces into our Baby Room!

All the children have been very busy with Christmas. We have had singing and dancing as well as card and present making. There has been lots of Christmas joy around the place and I'm sure all the children will have enjoyed themselves. A big thank you to all the parents who bought gifts and chocolates for the Team.

I am currently going through the spaces I have available ready for September 2019. If you are considering upping your child's sessions with us please get in contact with me asap to see if we can accommodate your needs.

Now the weather has got a lot colder please make sure all children bring in labelled winter coats with hats and gloves as we do enjoy going outside in all weathers.

Best Wishes
Clare Ashton
Nursery Manager

It's A Baby Nativity

The Kindergarten children worked really hard for their performance, learning new songs, actions and even lines to say. They all wore their costumes with pride and all the Kindergarten Team are so proud of each and everyone one of them. Thank you all for coming along to watch as well.

Dates for your Diary

Stay and Play 9am – 11am

- Wednesday 23rd January

Parents Evening 6pm – 8pm

- Tuesday 26th February

Babies

The Babies have been exploring light and dark this month. They have been exploring different shades of black and white objects as well as painting with tin foil. The children particularly enjoy painting at the moment and have been busy exploring a range of different tools to paint with.

Toddlers

In Toddlers we have been very busy investigating our senses in particular our sense of smell. We have done this by using rosemary when making bread. We helped to add ingredients to the bowl before tasting it afterwards. We have also been looking at the "Dear Zoo" book and exploring the different animals and what noises they make.

Transition

With Christmas just around the corner the Transition children were doing lots of Christmas crafts. They made salt dough decorations, wreaths and even did some stamp printing. We have also been sharing pictures of our Christmas trees and experiences with our friends which has led to some lovely Christmas conversations. We are also very pleased to see our pallet tree at Fair Oak Garden Centre.

Kindergarten

Last month we were very excited about celebrating Christmas. The children were out on numerous trips to Garson's Garden Centre, where they fed the reindeer and looking at the displays. When we came back to Nursery we bought our ideas and put them into practice by making our own cards and wrapping paper.
