

Dear Families,

Welcome to our March Newsletter!

The children are enjoying the signs of early Spring, planting seeds and enjoying the lighter evenings.

This month the children will enjoy learning how to make pancakes for snack and role playing this experience in their home corners. Cooking and baking is really enjoyed by the children as you can see.

The celebrations will continue for World Book Day and we hope you will all join us by dressing up as your favourite book character and bringing a favourite story to share.

Then we have Mothers Day at the end of the month and we will be talking about the Mummies or 'special grownups' and the children will be busy creating lovely things to show how much we love them.

The children will also be exploring other celebration days in March such as St David's Day, St Patricks Day and Red Nose Day. We have some fundraising events coming up so please keep an eye out for posters letting you know the details. Wow what a month!

Kind Regards

Kim Doubell

Nursery Manager

- **Shrove Tuesday**
5th March
- **World Book Day**
7th March
- **Red Nose Day**
15th March
- **Holi: 20th March**
- **Mothering Sunday & clocks go forward**
31st March

Babies

During February the children have enjoyed celebrating the wonderful colours of Chinese New Year, they discovered the gold and red colours. We have also enjoyed cooking and making biscuits, together the children explored the ingredients and mixing them together. We look forward to Pancake Day and flipping the pancakes in the air! The sun has been shining and we are enjoying time outside exploring.

Toddlers

Toddlers have been on some wonderful adventures during February, we went on a bus to Winchester to learn about the City and what jobs people may have. The children enjoyed looking out of the bus as being high up was fun! We visited the bakery and bought bread to share. This has sparked some wonderful interest in baking. Together we will look forward to Pancake Day, flipping the pancakes. Toddlers have been discovering numbers and have been counting, singing using numbers and finding objects to match numbers.

Transition

Transition have been having a wonderful February and enjoying the wonderful sunny weather and exploring the garden. The children have taken an interest in the construction toys, building models and vehicles. During March, the children will make pancakes to flip and squeeze with lemon juice to enjoy. Transition are becoming more green fingered and are setting up a gardening club. We will plant seeds and gain an understanding of how we care for plants we want to grow.

Kindergarten

The children has been discovering and investigating travel and exploring maps, together we have looked at places to visit and studied maps of the world. The children have enjoyed cookery and baking Birthday cakes to celebrate our friends Birthdays. We are looking forward to Pancake Day where we will look at recipes and gather our ingredients for weighing, mixing and flipping the pancakes high. We will also be thinking of our wonderful Mummies during March and showing our love.
